Make Your Mark in Exposition Park

WHEN: Sun., Oct. 16

TIME: Noon

WHERE: Exposition Park

WHAT: Ryman Arts' students and teaching artists will help the public create a continuous, half-mile-long drawing on paper that rolls out and winds its way around the park, from the California African American Museum, through the Rose Garden and around the Natural History Museum.

VISUALS: The continuous drawing project will be photographed and ultimately showcased as a "scrolling panorama" online.
